Create a class named Pizza that stores | sr2jr

In Programming Project 7.3 from Chapter 7, the Alien class was rewritten to use inheritance. The rewritten Alien class should be made abstract because there will never be a need to create an instance of it, only its derived classes. Change this to an abstract class and also make the getDamage method an abstract method.

ed to develop effective solutions to any programming problem. We work with com-plete Java programs and encourage readers to use them. We focus on programming by individuals, not library programming or programming in the large (which we treat briefly in an appendix). Use in the Curriculum This book is intended for a first-year college course
