Other Feminist Critics Thereafter Picked Up On This Contradiction, The Most Damning Of Rousseau's Many Paradoxes: His Advocation Of A Male-female Relationship ...

Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain. But how will that turn out?

A Girl and Five Brave Horses, first published in 1961, is the inspirational autobiography of Sonora Webster Carver (1904-2003) - one of the first female "horse divers" - and who would become a nationwide sensation. Horse-diving, where the horse climbs a 40 to 60 foot tower and, as the platform drops, the horse and rider plunge to a deep water-filled pool below, is exciting for spectators but can be dangerous to the performers. In 1931, while delighting fans across the country, tragedy struck as Sonora hit the water at an awkward angle, detaching both her retinas and leaving her blind. However, Sonora would continue to dive horses until 1942. Included are 16 pages of photographs. Sonora Carver's story was the basis of the 1991 Disney movie Wild Hearts Can't be Broken.

ATLANTIC CITY features the High-Diving Horse, Mr. Peanut, Lucy the Elephant, and generations of Americans running amok under (and over) the Boardwalk.

WINNER OF THE 2021 JOYCE CAROL OATES PRIZE NAMED A BEST BOOK OF 2020 BY O MAGAZINE, THE NEW YORKER, THE WASHINGTON POST, REAL SIMPLE, THE GUARDIAN, AND MORE FINALIST FOR: THE STORY PRIZE, THE L.A. TIMES BOOK PRIZE, THE ASPEN WORDS LITERARY PRIZE, THE CHAUTAUQUA PRIZE “Sublime short stories of race, grief, and belonging . . . an extraordinary new collection . . .” –The New Yorker “Evans’s new stories present rich plots reflecting on race relations, grief, and love . . .” –The New York Times Book Review, Editor’s Choice “Danielle Evans demonstrates, once again, that she is the finest short story writer working today.” –Roxane Gay, The New York Times–bestselling author of *Difficult Women* and *Bad Feminist* The award-winning author of *Before You Suffocate Your Own Fool Self* brings her signature voice and insight to the subjects of race, grief, apology, and American history. Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With *The Office of Historical Corrections*, Evans zooms in on particular moments and relationships in her characters’ lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting walloped by grief—all while exploring how history haunts us, personally and collectively. Ultimately, she provokes us to think about the truths of American history—about who gets to tell them, and the cost of setting the record straight. In “Boys Go to Jupiter,” a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In “Richard of York Gave Battle in Vain,” a photojournalist is forced to confront her own losses while attending an old friend’s unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk.
