What does an art director do? ?

CareerExplorer

Except in the smallest organizations, the art director/copywriter team is overseen by a creative director, senior media creative, or chief creative director. In a large organization, an art director may oversee other art directors and a team of junior designers, image developers, and/or production artists, and coordinates with a separate production department. In a smaller

Online Library Art Directing Projects For Print Solutions And Strategies For Creative

organization, the art director may fill all these roles, including oversight of printing and other production.

Art director - Wikipedia

Art Director responsibilities include:

Generating clear ideas and concepts in tandem with the copywriter
Producing sketches, storyboards, art layouts based on creative visions and ideas
Understanding marketing initiatives, strategic positioning and target audience
