These vignettes provide learners with a unique clinical context to supplement their education. An integral feature to the Clinical Anesthesia textbook is the innovative use of an electronic platform for learners. The previous (7th) edition incorporated significant electronic media components to chapters (powered by Inking) that included hundreds of videos, animated tables, regular content updates, and an enhanced search and navigation style.

Barash's Clinical Anesthesia, 8th ed + Anesthesia & Analgesia

Barash Paul G., Cahalan ... Ortega and Sharar, both editors of the Fundamentals book, also serve as editors of this edition of Clinical Anesthesia; I believe that aids in maintaining the feel and formatting between the companion titles. It seems that this also may have aided in reducing redundancy of content between the titles.
