The book itself is
surprisingly thin and it
could go into more detail
with regards to grammar and
conjugations, but Barron's
has a small yellow French
book dedicated to the finer
nuances of the language's
grammatical constructions.
You get two practice tests
with this book and various
practice sections scattered
throughout.

Barron's Online Test Preparation for AP Exams

The Barron's Book is definitely a great help for AP students who want to excel in French. However, this book should be reviewed as it contains quite a few grammar mistakes and even errors in the Answer sheets. It's regrettable that the Barron's team is not able to find some good reviewers and
