Nothing new in terms of story but if you like exploding humans, then Deadful Melody is your movie. Aside from the typical 90s crackhead wire fu and the strange characters, lots of people get blown up and it's funny and the highlight of this film.

Deadly Melody (1994) - IMDb

Third in Mann's Safe Harbor series, Deadly Melody can be read as a stand-alone book, although it may be a little richer if you have previously read the first two books in the series. As a young teenage girl, Catharine, an accomplished violinist, runs away from her powerful uncle who is involved in drugs and the mob.

Deadly Melody - Kindle edition by Mann, Connie, Religion ____

Directed by Mary Rangel. With Michaelryan Hanalei Aven, Edward DeLeon, Timothy Dennison, Haylee Detroit Dewar. On a cold winter evening during the Holiday Season, The Hypnotist, calls upon his victims, casting them under his spell of Hypnosis with the melody of Carol of the Bells. Will they survive the night with such a power pull of his spell?

A Deadly Melody (2017) - IMDb

DEADLY MELODY is about a young woman, Catharine, who is an accomplished violinist, and who has spent much of her life living under the radar. The closest thing she has to a family are Sal and Rosa Martinelli. They took her in as a teen, giving her a place to grow up. They mean the world to her.

Deadly Melody (Safe Harbor #3) by Connie Mann

Amazon.com: Customer reviews: Deadly Melody

Deadful Melody is another in that line of fantasy Hong Kong Action flicks, like Zu Warriors (arguably the originator), Swordsman 2, Peacock King, and Chinese Ghost Story. It is a decent enough and should leave fans of this genre satisfied, but otherwise it is not great or a classic, by any means, just entertaining enough.

Deadly Melody (1994) - IMDb

Home is where the heart is. The danger too... The Martinellis were the closest thing to family Cat Johnson ever had. That's why she ran--to protect them from her threatening past. The orphaned child of classical musicians, she's been lying low in Nashville and performing at the No Name Café. When Cat reluctantly agrees to attend the wedding of her beloved foster sister, the plan is simple: make a quick appearance at the Martinellis', then disappear again. Instead, she's thrust headlong into a nightmare. After a wedding guest is murdered, Cat's past becomes harder and harder to avoid. So does handsome and inquisitive Safe Harbor cop Nick Stanton, who will stop at nothing to uncover the town's secrets. That means exposing Cat's as well. The more intimate Nick's feelings for Cat become, the more driven he is to find out what she's hiding. As things in Safe Harbor take a terrifying turn, Cat realizes that the man she's afraid to trust might be the only one she can turn to.

A prank outside the Beaumont Hotel goes haywire, and an assassin kills the wrong man Political fundraisers can be cynical and coarse when they're among their own kind, and Pierre Chambrun, manager of the elegant Beaumont Hotel, prefers not to let them through his doors. But when his friend Douglas Maxwell, a hard-nosed senatorial candidate, asks to host a thousand-dollar-a-plate dinner in the Beaumont's famous ballroom, Chambrun cannot refuse. The fundraiser has just begun when bad taste rears its ugly head, and Maxwell steps out of his limousine smiling, waving, and wearing no pants. The crowd roars with laughter until the pantsless man falls to his knees, shot dead. Less than half an hour later, Maxwell appears in Chambrun's office, very much alive. The dead man was his cousin, a lookalike who came to New York to play a prank, and caught a bullet in return. Chambrun must find the gunman to save his friend and spare the Beaumont a second killing--because murder is the ultimate faux pas.

Perfect for fans of Becky Albertalli and Nina LaCour, this *Junon*uices romantic comedy from New York Times bestselling author Robin Talley has something for everyone: backstage rendezvous, deadly props, and a seemingly insurmountable obstacle to True Love. Melody McIntyre, stage manager extraordinaire, has a plan for everything. What she doesn't have? Success with love. Every time she falls for someone during a school performance, both the romance and the show end in catastrophe. So, Mel swears off any entanglements until their upcoming production of *Les Mis* is over. Of course, Mel didn't count on Odile Rose, rising star in the acting world, auditioning for the spring performance. And she definitely didn't expect Odile to be sweet and funny, and care as much about the play's success as Mel. Which means that Melody McIntyre's only plan now is trying desperately not to fall in love.

What is it about lighthouses that make them bastions of spiritual activity? Built for strength and permanence, they are nonetheless vulnerable, protecting lives yet isolated and remanent. Unforgiving of human frailty, these outposts inevitably become the settings for tragedy--and for the spirits that linger on at the site of their ruined hopes, their sufferings, their obsessions. With its incessant fogs and infamously craggy coast, Maine has the second highest number of lighthouses in the country. Many of these 64 beacons are shrouded in wisps of rumor and mystery. There are ongoing strange and eerie events and occurrences that recall past violence or sadness--stranded crews who resorted to cannibalism, keepers driven to madness by unending days of blinding fog, children drowned in shipwrecks. Author Taryn Plumb explores the ghostly tales and mysteries surrounding Maine lighthouses. Some hauntings can be directly tied to a known historical event, while others seem to have no origin, yet all will enthrall you with their spookiness.

Granny Viper is a "people finder," a searcher for lost souls along the roads of a forbidding wasteland. Her latest mission: the safe return of a young woman named Tae, kidnapped eight years ago by vampire Nobility and held in Castle Gradinia on the Frontier's far border. But rescuing Tae is only half the battle--Viper knows she and the girl can't cross the formidable expanse to the town of Barnabas alone. After making the fatal mistake of hiring the mercenary Bullow Brothers to help her, Granner turns to the legendary Vampire Hunter D for salvation. As they traverse the bleak desert between the Inner and Outer Frontier, the two women and D find themselves in a race for their lives. And they soon discover how cruel the desert is--and how very ruthless the Bullow Brothers are . . . * Features six illustrations by the renowned Yoshitaka Amano, illustrator of Neil Gaiman's Sandman: The Dream Hunters.

When Karen Westgate wakes up to find war ravaging her land, she decides to abandon her normal life and hunt down a man who cannot be moulded by society. Paired with the schizophrenic murderer, who had ruined her life nine years ago, and her disillusioned brother, the youngest generation of the royal families embark on an adventure against the Tantibians: an ancient, enigmatic enemy that will test their sanity. She will find herself trapped with the mad man who shatters her limits and unfolds a decade-old conspiracy, forcing her to question the meaning of her life, the war, and the mad animal who she loved years ago.

Profiles the influential hip-hop group and their main producer through a detailed account of their lives and a comprehensive analysis of the songs and albums they have released.

This definitive biography of rap supergroup, Wu-Tang Clan, features decades of unpublished interviews and unparalleled access to members of the group and their associates. This is the definitive biography of rap supergroup and cultural icons, Wu-Tang Clan (WTC). Heralded as one of the most influential groups in modern music--hip hop or otherwise--WTC created a rap dynasty on the strength of seven gold and platinum albums that launched the careers of such famous rappers as RZA, GZA, Ol' Dirty Bastard, Raekwon, Ghostface Killah, Method Man, and more. During the '90s, they ushered in a hip-hop renaissance, rescuing rap from the corporate suites and bringing it back to the gritty streets where it started. In the process they changed the way business was conducted in an industry known for exploiting artists. Creatively, Wu-Tang pushed the boundaries of the artform dedicating themselves to lyrical mastery and sonic innovation, and one would be hard pressed to find a group who's had a bigger impact on the evolution of hip hop. S.H. Fernando Jr., a veteran music journalist who spent a significant amount of time with The Clan during their heyday of the '90s, has written extensively about the group for such publications as Rolling Stone, Vibe, and The Source. Over the years he has built up a formidable Wu-Tang archive that includes pages of unpublished interviews, videos of the group in action in the studio, and several notebooks of accumulated memories and observations. Using such exclusive access as well as the wealth of open-source material, Fernando reconstructs the genesis and evolution of the group, delving into their unique ideology and range of influences, and detailing exactly how they changed the game and established a legacy that continues to this day. The book provides a startling portrait of overcoming adversity through self-empowerment and brotherhood, giving us unparalleled insights into what makes these nine young men from the ghetto tick. While celebrating the myriad accomplishments of The Clan, the book doesn't shy away from controversy--we're also privy to stories from their childhoods in the crack-infested hallways of Staten Island housing projects, stints in Rikers for gun possession, and million-dollar contracts that led to recklessness and drug overdoses (including Ol' Dirty Bastard's untimely death). More than simply a history of a single group, this book tells the story of a musical and cultural shift that started on the streets of Shaolin (Staten Island) and quickly spread around the world. Biographies on such an influential outfit are surprisingly few, mostly focused on a single member of the group's story. This book weaves together interviews from all the Clan members, as well as their friends, family and collaborators to create a compelling narrative and the most three-dimensional portrait of Wu-Tang to date. It also puts The Clan within a social, cultural, and historical perspective to fully appreciate their impact and understand how they have become the cultural icons they are today. Unique in its breadth, scope, and access, From The Streets of Shaolin is a must-have for fans of WTC and music bios in general.

Few stories from the "greatest generation" are as unforgettable -- or as little known -- as that of the 10th Mountain Division. Today a versatile light infantry unit deployed around the world, the 10th began in 1941 as a crew of civilian athletes with a passion for mountains and snow. In this vivid history, adventure writer Peter Shelton follows the unique division from its conception on a Vermont ski hill, through its dramatic World War II coming-of-age, to the ultimate revolution it inspired in American outdoor life. In the late-1930s United States, rock climbing and downhill skiing were relatively new sports. But World War II brought a need for men who could handle extreme mountainous conditions -- and the elite 10th Mountain Division was born. Everything about it was unprecedented: It was the sole U.S. Army division trained on snow and rock, the only division ever to grow out of a sport. It had an un-matched number of professional athletes, college scholars, and potential officer candidates, and as the last U.S. division to enter the war in Europe, it suffered the highest number of casualties per combat day. This is the 10th's surprising, suspenseful, and often touching story. Drawing on years of interviews and research, Shelton re-creates the ski troops' lively, extensive, and sometimes experimental training and their journey from boot camp to the Italian Apennines. There, scaling a 1,500-foot "unclimbable" cliff face in the dead of night, they stunned their enemy and began the eventual rout of the German armies from northern Italy. It was a self-selecting elite, a brotherhood in sport and spirit. And those who survived (including the Sierra Club's David Brower, Aspen Skiing Corporation founder Friedl Pfeifer, and Nike cofounder Bill Bowerman, who developed the waffle-sole running shoe) turned their love of mountains into the thriving outdoor industry that has transformed the way Americans see (and play in) the natural world.

This updated edition has four new haunted lighthouses. Lighthouses are America's castles-proud, sturdy, mystical, and sometimes even haunted. The producer of the popular television series Haunted Lighthouses, seen on the Discovery Channel, the Learning Channel, and the Travel Channel, takes you on a tour of the legends of these bewitching monuments as he films. Meet a cast of intriguing characters including noted historians, people who work in lighthouses, and even the ghosts themselves. You will also learn helpful travel tips including the best places to stay and dine, things to do, and must-see attractions.
