If you want a quick overview of the whole book, click on each Part, sequentially, starting with Part VIII and then Parts I through VII for brief summaries. For each chapter you will find an outline of Marx's argument followed by my commentary on the text and on the subject matter.

Study Guide to Capital - University of Texas at Austin

deal with "value" and money, tend to be very abstract and terse. In the second place, the study of Part VIII, which shows how the capitalist system originated, i.e., how capital originally created the working class and imposed its system on it, provides a very useful point of reference for the careful dissection of value in Part I.
