Hemingway, Ernest ...

The Old Man and the Sea, an apparently simple fable, represents

the mature Hemingway at his best, and it is still one of his most read books. In 1954

Hemingway was awarded the Nobel Prize for Literature “for his mastery of the art of narrative, most recently demonstrated in The

Faced with bad weather, hunger and thirst, the old man finds himself in battle with a giant marlin, a fish bigger than any to have been caught before. Nature is not kind and gentle in this fable, nor is Hemingway. You hold in your hands one of the very best pieces of writing to have ever been created.
