Human rights are the basic rights and freedoms that belong to every person in the world, from birth until death. They apply regardless of where you are from, what you believe or how you choose to live your life. They can never be taken away, although they can sometimes be restricted - for example if a person breaks the law, or in the interests of national security.

What are human rights? | Equality and Human Rights Commission

Every Human Has Rights is a child friendly version of the thirty rights in which every person is entitled to. These rights are presented in a way that is easy to understand and also provides an emotional response from a child who has directly be affected in some way in relation to the specific National Geographic Society, Mary Robinson.

Human Rights | United Nations

Human rights are equal and inalienable rights of any person, inherent due to the sole reason that he or she is human. A UN committee, headed by Eleanor Roosevelt, drafted the document that defined and universally granted the basic rights to all human beings, terming them the equal and inalienable rights of every human being.

Here's a Complete List of Human Rights Everyone Should ...

About Every Human Has Rights The 30 rights set down in 1948 by the United Nations are incredibly powerful. According to the U.N., every human-just by virtue of being human-is entitled to freedom, a fair government, a decent standard of living, work, play, and education, freedom to come and go as we please and to associate with anyone we please, and the right to express ourselves freely.
