The Complete Guide to Homeopathy reveals the key principles of homeopathy, including the way we are categorized into "constitutional" types according to our physical and emotional characteristics. Self-assessment Questionnaire: A specially designed questionnaire, based on what a homeopath might ask during a first office visit, provides unique insight into the link between health and temperament and helps determine which constitutional type you most closely match. Index of Remedies: A photographic index of 150 remedies illustrates plant, mineral, and animal sources, ranging from common foods such as honey to toxic substances such as snake venom. A profile of each remedy gives its historical background, medicinal uses, and its
