Marcus Brutus, a Roman politician, considers Emperor Julius Caesar to be a friend, but a senator—Caius Cassius—convinces Brutus that Caesar has too much power. Brutus would rather Rome be a republic than an empire ruled by a tyrant, so he participates in a conspiracy to kill Caesar. Though Brutus believes his actions will benefit Rome, Caesar's murder brings about more bloodshed, including Brutus's own. The play examines friendship and patriotism, the succession of leadership, and the roles of fate and free will. Shakespeare wrote this drama, rooted in Roman history, in 1599; it was published in 1623, after Shakespeare's death. This is an unabridged edition of the tragic play.

35 reproducible exercises in each guide reinforce basic reading and comprehension skills as they teach higher order critical thinking skills and literary appreciation. Teaching suggestions, background notes, act-by-act summaries, and answer keys included.

These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger." The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...
