For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack-but far more fun to discover, as all of these delightful stories make abundantly clear.

Service procedures for lawn and garden tractors manufactured through 1990.

Living with a tigress is no joke! This is the true story of a Forest Conservator who risked his life and went beyond the call of duty for Khairi, a tigress he considered as his very own. The book offers the perfect balance of a biography and a scientific study. Khairi is so brilliantly brought to life in this book that you almost expect to hear her padding up behind your chair, purring loudly.

Maybe you've had a moment when God did something radical in your heart. Putting your faith and trust in Him certainly feels like taking a giant leap, but really it's just the beginning of the exciting, and-yes-radical journey that comes with agreeing to live as God calls you to. What does being radical look like? In the Bible, the common characteristics of "radicals" are: They trusted God. They listened to God's voice and then obeyed-even when it cost them. Because of their faith, they lived lives that looked different from everyone else's. That's a short list and a tall order, but basically it means you can be a radical, too. There's nothing on that list that is impossible for you. There's nothing on that list that requires you to be older, or more financially stable, or to have a college degree. No matter who you are or where you live, you can live a radical faith. Meet Erin, who has learned practical ways to do just that. She'll help you be radical, too. My Name is Erin: One Girl's Plan for Radical Faith is one in a series of four books, which can be read in any order. The other titles are: My Name is Erin: One Girl's Journey to Discover Truth My name is Erin: One Girl's Journey to Discover Who She Is My Name is Erin: One Girl's Mission to Make a Difference
