To provide effective service in helping clients understand how they are going to be affected by health care reform and how to obtain coverage, pursue an appeal, or plan for long-term care or retirement, you need the most current information from a source you can trust - Medicare Handbook. This is the indispensable resource for clarifying Medicare's confusing rules and regulations. Prepared by an outstanding team of experts from the Center for Medicare Advocacy, Inc., it addresses issues you need to master to provide effective planning advice or advocacy services, including: Medicare eligibility rules and enrollment requirements; Medicare covered services, deductibles, and co-payments; coinsurance, premiums, penalties; coverage criteria for each of the programs; problem areas of concern for the advocate; grievance and appeals procedures. The 2016 Edition of Medicare Handbook offers expert guidance on: Health Care Reform Prescription Drug Coverage Enrollment and Eligibility Medigap Coverage Medicare Secondary Payer Issues Grievance and Appeals Home Health Care Managed Care Plans Hospice Care And more! In addition, Medicare Handbook will help resolve the kinds of questions that arise on a regular basis, such as: How do I appeal a denial of services? What steps do I need to take in order to receive Medicare covered home health care? What are the elements of Medicare's appeal process for the denial of coverage of an item, service, or procedure? Does my state have to help me enroll in Medicare so that I can get assistance through a Medicare Savings Program? When should I sign up for a Medigap plan? If I am on Medicare, do I have to buy health insurance in the insurance marketplace created by the Affordable Care Act? Is it true that I have to show medical improvement in order to get nursing and therapy services for my chronic condition? And more! The 2016 Medicare Handbook is the indispensable resource that provides: Extensive discussion and examples of how Medicare rules apply in the real world Case citations, checklists, worksheets, and other practice tools to help in obtaining coverage for clients, while minimizing research and drafting time Practice pointers and cautionary notes regarding coverage and eligibility questions where advocacy problems arise, and those areas in which coverage has been reduced or denied And more!

COBRA Handbook is designed for benefits professionals, plan administrators, employers, service providers, fiduciaries, attorneys, and others who must deal with the complexities of the COBRA. This practical handbook simplifies the complexity of handling COBRA. It is designed for benefits professionals, plan administrators, employers, service providers, fiduciaries, attorneys, and others who must solve COBRA issues and stay in compliance. The handbook reviews in detail the rules contained in the IRS and DOL regulations and offers guidance on how to comply with the various rules contained in the regulations. The 2016 Edition reviews significant legal developments in the COBRA arena since the publication of the prior edition and discusses new judicial decisions issued during the past year. Highlights include updated and extensive discussions of the following issues: What types of employee benefit plans are subject to COBRA Under what circumstances a COBRA qualifying event occurs What constitutes termination due to "gross misconduct" for COBRA purposes How a plan administrator can ensure compliance with COBRA's notification requirements, and what type of documentation should be retained Under what circumstances a plan must notify an individual of the termination of his or her COBRA coverage And much more! COBRA Handbook also reviews in detail the rules contained in the IRS and DOL regulations and offers guidance on how to comply with the various rules contained in the regulations. In addition, COBRA Handbook includes the following features to help employers, other plan sponsors, administrators, and consultants in administrating and complying with this complicated and continuously developing area of the law: Examples illustrating important concepts Practice Pointers to help benefits professionals comply with COBRA Detailed case citations and notes to help the reader quickly locate relevant portions of the law, regulations, administrative releases, and supporting judicial decisions The full text of the DOL and IRS Final COBRA Regulations, model COBRA notices, and sample COBRA provisions for inclusion in a purchase agreement A glossary containing definitions of the key terms and abbreviations used in the book A table of cases at the end of the book providing full citations to relevant judicial decisions, as well as chapter and section references for each case discussed A table of COBRA cases grouped by issue A detailed subject index

Note: Online subscriptions are for three-month periods. Previous Edition: Medicare Handbook, 2018 Edition ISBN 9781454884224

"The Affordable Care Act, aka Obamacare, makes health insurance available to the majority of Americans. In fact, failure to obtain coverage will result in penalties, but the process of obtaining insurance can be daunting. This brief handbook explains the law and its history and tells readers how to apply for coverage and any exemptions and subsidies if they are eligible. Editor Amadeo, an expert on the act, discusses the benefits of having insurance and how the plan is financed. Each chapter has references, and the book has a glossary and a bibliography to help readers. This is a useful resource, but libraries should also have information about local exchanges if their states have them." — Barbara Bibel, BOOKLIST, March 15, 2016 issue
Obamacare can save you money, but only if you know how it really works. Americans have been barraged with fifteen times more negative than positive news about Obamacare. As a result, 40 percent of the people who dislike it actually qualified for insurance subsidies and don't realize it. Hardworking, middle-class families need facts, not opinions, to get all the benefits they deserve. Here you'll find: A guide to buying low-cost health insurance Step-by-step instructions to signing up for insurance Directions to apply for Obamacare exemptions Eligibility requirements for subsidies Definitions of insurance, health care, and Obama terms Real-life stories of people who have already been helped This handbook refutes the myths about the Affordable Care Act with research-based evidence. It reveals the seven reasons why health care costs so much, as well as how the ACA attacks those costs. You'll learn who really gets benefits from subsidies and who pays for them. Most importantly, this book uncovers how the ACA might save you and your family money in 2016 and beyond.

To provide effective service in helping people understand how they are going to be affected by health care reform and how to obtain coverage, pursue an appeal, or plan for long-term care or retirement, you need the most current information from a source you can trust - Medicare Handbook.
