This a careful, detailed, judicious study of the question of sympathy in antebellum US literature, as it relates to writing about Native Americans. While not ignoring the issue of complicity, "Moving Encounters" refreshingly does not dismiss all white writing about Native Americans as cynical or duplicitous, in the manner of much standard poco literary criticism.

She does not contest Deloria's arguments about the performative political power of playing Indian for both whites and Native Americans, but she takes the discussion in another direction by examining cross-racial encounters as performances of sympathy. She calls such encounters "moving encounters" because they were always described as emotionally "moving" and also because the meanings of the emotions--and the encounters--were surprisingly unstable, hard to fix or pin down.
