Extend the life of your aircraft with a "zero time since overhaul" (0 TSO) engine exchange at a flat rate. The PT6A Flat Rate Engine Exchange Program is a cost-effective approach to getting back in the air with engines that have an increased ratio of factory-new, genuine P&W parts at an attractive and competitive fixed price.

Flat Rate Engine Exchange Program - Pratt & Whitney

For the King Air 200 operator, the original Pratt & Whitney PT6A-41 engines can be fitted with any of these engines. For King Air 200 operators, it can make a lot of sense to upgrade to the -42 engine, rather than overhauling their existing -41 engines. This is the least expensive of the three options, and provides modest performance gains.
