Don't go it alone. Tap into resources, such as small-business peers, mentors, and trade associations, that can help take some of the energy-draining trial and error out of starting and running your business. Remember that vendors are partners, too. A good vendor is as important to your business as a good customer.

Small Business For Dummies Cheat Sheet - dummies

3 . Find Start-up Money: To start a business, you must invest in the business. The journey of finding start-up funds will be different for each individual. Some start-ups such as consulting require a few thousand to get a website and business cards whereas a retail store could need \$100,000 or more.
