Ebook written by Meg Cabot. Read this book using Google Play Books app on your PC, android, iOS devices. Download for offline reading, highlight, bookmark or take notes while you read The Princess Diaries, Volume VI: Princess in Training.

Fourteen-year-old Mia, who is trying to lead a normal life as a teenage girl in New York City, is shocked to learn that her father is the Prince of Genovia, a small European principality, and that she is a princess and the heir to the throne.

What's a Princess to do? It's Mia's senior year, and things seem great. She aced her senior project, got accepted to her dream college(s), and has her eighteenth birthday gala coming up . . . not to mention prom, graduation, and Genovia's first-ever elections. What's not to love about her life? Well . . . everyone adores her dreamy boyfriend, J.P., but Mia is not sure he's the one. Her first love, Michael, is back from Japan . . . and back in her life. That senior project? It's a romance novel she secretly wrote, and no one wants to publish it. And her father is losing in the Genovian polls—to Mia's loathsome cousin René! With not just Genovia's but her own future hanging in the balance, Mia's got some choices to make. And what she decides might determine not just the next four years but . . . forever!

Princess Mia puts together a musical money-making scheme to save her student government, which could serve as preparation for one day balancing the budget of her small country. Reprint.

Princess Mia Thermopolis is introduced to her Genovian

subjects, and more importantly, she goes out on a date with the newly appointed Royal Consort Michael Moscovitz. Reprint.

The one and only Mia Thermopolis is back and ready to reign! Celebrate the 20th anniversary of Meg Cabot's blockbuster series in royal style—with all-new middle grade editions of the first three books! Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine, flat-chested freshman, who also happens to be flunking Algebra. Is she ever in for a surprise. First Mom announces that she's dating Mia's Algebra teacher. Then Dad has to go and reveal that he is the crown prince of Genovia. And guess who still doesn't have a date for the Cultural Diversity Dance? The Princess Diaries is the first book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

A Princess on her own . . . Mia has been invited to speak at a gala for Domina Rei, an elite society of powerful businesswomen. But what could she possibly have to say? Michael has broken up with her, her bff Lilly won't speak to her, and her parents are forcing her to see a therapist. Even J.P.'s efforts to cheer Mia up (he's being really sweet!) aren't helping. Just when things couldn't get worse, Mia discovers a long—forgotten diary of a teenage princess of Genovia. It could be just the inspiration Mia needs to write her speech—but what it reveals might change everything.

In her heart of hearts, Mia has but one wish: an evening spent with Michael in a tux and a corsage on her wrist—in other words, the prom. Michael, however, does not seem to share the dream that is the prom. Worse still, a service workers' strike (with Grandmère and Lilly at the heart of it and

File Type PDF The Princess Diaries Volume

on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Mia talk Michael out of his anti-prom views? Most importantly, will Mia get to wear her pink prom dress?

The eighth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. At last, Mia is a junior. An upperclassperson. So why is it that everything is going so terribly wrong? What is she doing in Intro to Creative Writing? When she has made it through Algebra and Geometry, why must she be faced with Precalculus? All this is nothing compared to the news Michael springs on her, however. Her beloved boyfriend could be leaving for Japan for a year—or more! Precalc has nothing on preparing for the worst separation ever! Turns out there is one way she might convince Michael to stay. But will she? Or won't she? No matter what, Mia seems headed for disaster. Princess on the Brink is the eighth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

Having recently discovered she is the sole heir to the throne of a tiny European principality, fourteen-year-old Manhattan resident Mia writes in her journal about her attempts to cope with this news, as well as with more typical teenage concerns.

Meg Cabot's bestselling Princess Diaries series has delighted millions of middle grade and teen readers, and it was turned into the wildly popular Disney movies of the same name, starring Anne Hathaway and Julie Andrews. This collection contains all ten of the novels following Mia as she attempts to navigate high school, boys, and...princess training. Includes: The Princess Diaries The Princess Diaries, Volume II: Princess in the Spotlight The Princess Diaries, Volume III:
