Presents a guide to human anatomy and its depiction in art, with advice on drawing various poses and motions.

Based on extensive fieldwork in the community of the Eastern Band of Cherokee Indians in western North Carolina, this book uses a semiotic approach to investigate the historic and contemporary role of the Sequoyan syllabary--the written system for representing the sounds of the Cherokee language--in Eastern Cherokee life. The Cherokee syllabary was invented in the 1820s by the respected Cherokee Sequoyah. The syllabary quickly replaced alternative writing systems for Cherokee and was reportedly in widespread use by the mid-nineteenth century. After that, literacy in Cherokee declined, except in specialized religious contexts. But as Bender shows, recent interest in cultural revitalization among the Cherokees has increased the use of the syllabary in education, publications, and even signage. Bender also explores the role played by the syllabary within the ever more important context of tourism. (The Eastern Cherokee Band hosts millions of visitors each year in the Great Smoky Mountains.) English is the predominant language used in the Cherokee community, but Bender shows how the syllabary is used in special and subtle ways that help to shape a shared cultural and linguistic identity among the Cherokees. Signs of Cherokee Culture thus makes an important contribution to the ethnographic literature on culturally specific literacies.

Magical, paradigm-shifting, terrifying, and awe-inspiring, the spiritual awakening process is at the core of every human's quest for freedom, love, and happiness. In this groundbreaking book, spiritual counselors Luna and Sol detail the many stages, paths, and pitfalls connected with this sacred evolutionary process. By reconnecting with your Soul, you will discover how to experience the joy, liberation, and peace that you have

been searching for all along. In these pages, you will discover: 1. What is happening to you 2. Why you're experiencing a spiritual awakening 3. The many spiritual awakening symptoms and stages 4. The three inner worlds of the spiritual journey 5. What to do when your awakening becomes a spiritual emergency 6. Signs you're experiencing Soul loss 7. How to retrieve and integrate any fragmented pieces of your psyche through self-love, inner child work, and shadow work 8. What spiritual "traps" you need to be mindful of 9. How to communicate with your Soul Through the inner work practices of Inner Child Work, Self-Love, and Shadow Work, this book gives you the tools to initiate your own deep psychological healing. By removing the blocks and walls that surround your Soul, you will be able to access deep levels of joy, creativity, energy, courage, peace, fulfillment, freedom, and love. The Spiritual Awakening Process is a psychospiritual manual that is composed of various articles that we have published on lonerwolf.com in the past. We have also added extra content to help illuminate your path and guide you through this sacred time of life.

Twelve-year-old Zippy, a Jewish immigrant from Russia, keeps a diary account of the first eighteen months of her family's life on the Lower East Side of New York City in 1903-1904.

"An extraordinary book... deserves to be taken seriously." — International Herald Tribune. "A very thought provoking read! Whether or not she was really Anne Frank in another life, I do not doubt Karlén's sincerity." — Rabbi Yonassan Gershom, author of Beyond the Ashes and From Ashes to Healing. For as long as she can remember, Barbro Karlén has harboured terrible memories of a previous existence on earth as the Jewish girl Anne Frank, author of the famous Diary. Until recently, she had kept this knowledge private. Now, prompted by a series of events which culminated in a struggle for her survival, she is ready to tell her amazing story. And the Wolves Howled is the autobiography of Barbro Karlén, from her early fame as a bestselling child literary sensation in her native Sweden, to her years as a policewoman and a successful dressage rider. But this is no ordinary life history. As the victim of discrimination, personal vendettas, media assassination, libel and attempted murder, Karlén is forced to fight for her very being. In the dramatic conclusion to her living nightmare, she is shown the karmic background to these events. She glimpses fragments of her former life, and begins to understand how forces of destiny reach over from the past into the present. With this knowledge she is finally free to be herself... And the Wolves Howled is the story of one woman's superhuman struggle for truth in the face of discrimination and lies.

ADAM Luxury yacht, tropical seas, babes in bikinis:dream job, right? Wrong. The passengers are rich jerks who treat the crew like garbage, when they aren't pretending we're their whores. The best day was when that cokehead heiress Kalina tried to fire me just for doing my job. I swore I'd never go back home to my parents and their crazy fundamentalist ranch in the desert, but nothing could be worse than this. And then the pirates attack. KALINA Luxury yacht, tropical seas, billionaire boyfriend:dream trip, right? Wrong. After catching my man getting "extra services" from the maid, I know I'm the laughingstock of passengers and crew. Every time I lay eyes on that quiet, handsome deckhand Adam, I can feel him judging me. I want to die, and when the pirates show up, I think I'm going to. But Adam! he saves me. Now we're alone together on a lifeboat in the open ocean. Adam thinks we don't have a chance, but thanks to him, we've made it this far. And then, in the distance, I spot an island!
