Transcendence Healing

Transformation Transcendental
Meditation
Rosenthal

Transcendence demystifies the practice and benefits of Transcendental Meditation for a general audience who may have heard about the method but do not necessarily know what it is, how it is learned, or what they stand to gain, physically and emotionally, from achieving transcendence. Dr Rosenthal clearly and practically explains the basic ideas behind Transcendental Meditation: It is a nonreligious practice that involves sitting comfortably for twenty minutes twice a day while using a silent ...

mid-1950s. The Maharishi taught thousands of people during a series of world tours from 1958 to 1965, expressing his teachings in spiritual and religious terms. TM became more popular in the 1960s and 1970s, as the Maharishi shifted to a more technical p

Transcendental Meditation -
Wikipedia

Very misleading - Transcendence, Healing and Transformation through Transcendental Meditation (TM) does NOT provide any information on the actual process of TM! Turns out that you must pay thousands of dollars for this "simple training" as the book describes it. The book only describes the benefits of TM, goes on and on, and quite boring!
