From big wheels to high heels Asia and Shante are the best of friends. Secrets, provocative trends and life changing events become the inspiration of Washed Up, their joint venture and the hottest clothing line in the Midwest. Looking at their hard knock life in the rearview mirror, together they are not going to stop until they reach the top. Asia is on a mission to be the leading lady in every baller's life that crosses her path. When a list she's been keeping of her sexual conquests fall into the wrong hands will Asia pay dearly? Classy and full of style, maintaining her rank as a five star chic, is one thing Shante takes pride in. Will she stop at nothing to maintain that spot even if it means using treachery with truth? Deception is just as harmful a deadly drug. An overdose of love, lies and secrets has a great expense and the ultimate price to pay can be death. Can either woman escape the devastating consequences of their actions? Someone is about to learn that telling secrets will leave you with the feeling of being Washed UP!

In Lynn Wingert's second novel featuring Claire Maxwell, the writer flies down to Miami Beach to interview a survivor of a vicious shark attack for her next article. And, to be perfectly honest, to get the hell out of Iowa in the middle of March. In her typical, inimitable fashion, no sooner is Claire off the plane than she's caught up in a string of bizarre deaths. So what else is new? The only bright side to the sudden flood of bodies washing up on the white sandy beaches of Florida is Lieutenant Chris Merrett, an old buddy of her brother Jack's from the police academy. As the body count rises, Chris and Claire rush from beautiful beaches to the county morgue to one of the finest houses in the city in an attempt to stop the deaths before Miami Beach is nothing but a ghost town.

You got the grades, you got the degree, now it's time to get the internship! Whether this is this your first time to apply or you are a re-applicant, let this book help you in this process. Written by an actual intern who successfully matched into a Dietetic internship. Washed-Up is a helpful guidebook that offers tips, strategies and suggestions to help you land that Dietetic internship you worked so hard to obtain. The author tells a story about finding the motivation to apply again. This book details my 7 Dimensions to the application process that you can use to have a successful application process from start to finish. Take your goal of matching into a Dietetic internship and use the detailed in the book to help you navigate through the application process. Currently, about 50% of dietetic internship applicants match into an internship. We as Dietetic students know, this process of applying into an internship is necessary to complete our education and ultimately obtain our goal of becoming a Registered Dietitian. I congratulate all of you to getting to this point. You are or are on your way of becoming one of those graduates, great work! The purpose for writing this book is to give you some insight and a map to help you on your application journey. Use this book as a handbook throughout the application process. The 7 Dimensions explained in the book, details what steps you can do to reach your goal of matching into an internship. Applying the 7 Dimensions can make your application experience a positive one with the outcome you worked years to achieve. (c) 2011 Sarah Roach

Level 1 guided reader that teaches students how to prevent the spread of germs by washing hands and the importance of cleanup.

The ocean gives up many prizes, just setting them on our beaches for us to find. From rubber ducks that started out somewhere in Indonesia to land Venice Beach, to an intact refrigerator makes it way to the Jersey Shore. Chunks of beeswax found on the Oregon coast are the packing remnants of 18th century Spanish gold. Author Skye Moody walks the coast, dons her wet suit, and heads out to sea to understand the excellent debris that accrues along the tideline. There she finds advanced military technology applied to locating buried Rolexes, hardcore competitive beachcombing conventions, and isolated beach communities whose residents are like flotsam congregated at the slightest obstacle on the coastline. This book confirms that the world is a mysterious place and that treasure is out there to be found.

Every day, we use plastic products. And where does these items go when we are done with them? When artist Angela Hasetline Pozzi found plastic trash polluting the beach near her home, she took action. She formed an organization called Washed Ashore and started gathering trash from beaches and using it to create incredible sculptures of wildlife. These sculptures travel the country to teach people about the importance of these animals-and the problems caused by plastic pollution. Author and photographer Kelly Crull highlights fourteen spectacular sculptures, along with hints to find common objects hidden among the debris. There's information about each ocean animal as well as tips for how you can reduce your plastic use, hold a beach cleanup and make your own plastic art. Be inspired to get creative in protecting the world's oceans!

Integrates a dictionary and thesaurus in one volume by combining meanings and related words in one entry.

The Montgomery family was the cornerstone of what a family should be to everyone looking in. But as they always say, looks can be deceiving. Even in a family, there is a breaking point; a line you don't cross. The Montgomery family has crossed that line and now there is no turning back. Richard Montgomery Jr, who was the ideal son to everyone, did what he was supposed to do for his family, even at the sake of his own happiness. What price is he willing to pay for his own happiness and his own piece of mind? Thelma Montgomery, who was the centerpiece of the family, kept them together and she did, no matter the cost. There were no ifs ands or buts, as far as she saw it. Angelia Montgomery finds out that there is a big difference between getting what you want and wanting what you have. And Angelia's greed for more will soon be her downfall because there is always a price to pay either way. At what cost is she willing to take that chance? Each of them has a secret they wish never to reveal, but secrets are almost never always kept hidden; they will at some point show themselves
