A marriage of convenience ignites into a passionate love affair in the hotly anticipated second novel in New York Times and USA TODAY bestselling author Sabrina Jeffries's addictive *Sinful Suitors* series! When Edwin Barlow, the Earl of Blakeborough, agrees to help his best friend's impetuous ward, Lady Clarissa Lindsey, in her time of need, he knows he's in for trouble. He's been hunting for someone to wed, and she'll just get in the way. Although captivated by the witty, free-spirited beauty, he fears she'd be all wrong as a wife...if she would even take such a gruff cynic for her husband. Yet he wants nothing more than to have her for his own. Clarissa has no intention of marrying anyone—not Edwin, whom she's sure would be an overbearing husband, and certainly not the powerful French diplomat stalking her. But when matters escalate with the diplomat, she chooses Edwin's gallant offer of a marriage between friends in hopes that it will deter her stalker. She expects nothing more than an amiable union, but their increasingly tempestuous kisses prove more than she bargained for. When her stalker's vow to expose the lovers' deepest secrets threatens to destroy their blossoming attraction, will their tenuous bond withstand public ruin, or will Edwin lose all that's important to him to protect his bride?

Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match—both on and off the page—but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?
